## Triangles

Position the top border and place the triangles so they fill the space.  
Applique the triangles.

Repeat for the sides.

Sew the top and bottom border to the center

Sew the side borders to the center.

## Positioning the Rest

See the cover photo.

Center the basket.

Put the sunflower, and heart in position

Position the stems

If you want to fuse in sections, fuse this part now.

Place the closed flowers.

Place the bird, berries and leaves.

Now fuse the remainder of the shapes to the center.
