Assembly Instructions

- Ⓢ For each block, make 4 strips of 4 rectangles 2½" x 4½" sewn together end-to-end as shown. Press the seams in the same direction.

- Ⓢ Make 4 strips of 3 rectangles and 2 squares 2½" x 2½" sewn together end-to-end as shown. Press the seams in the same direction.

- Ⓢ DO NOT match seams! (How many times in a quilt book will you ever read "do not match seams?")

- Ⓢ Sew the 8 strips together, alternating them as shown. Make 20 blocks.

- Ⓢ Arrange the blocks in a 4 x 5 layout with all the blocks oriented in the same direction or rotating the alternate blocks 90 degrees. Choose whichever design you like best!

- Ⓢ Quilt, bind, add a label, and enjoy!
