

# 30 Circles

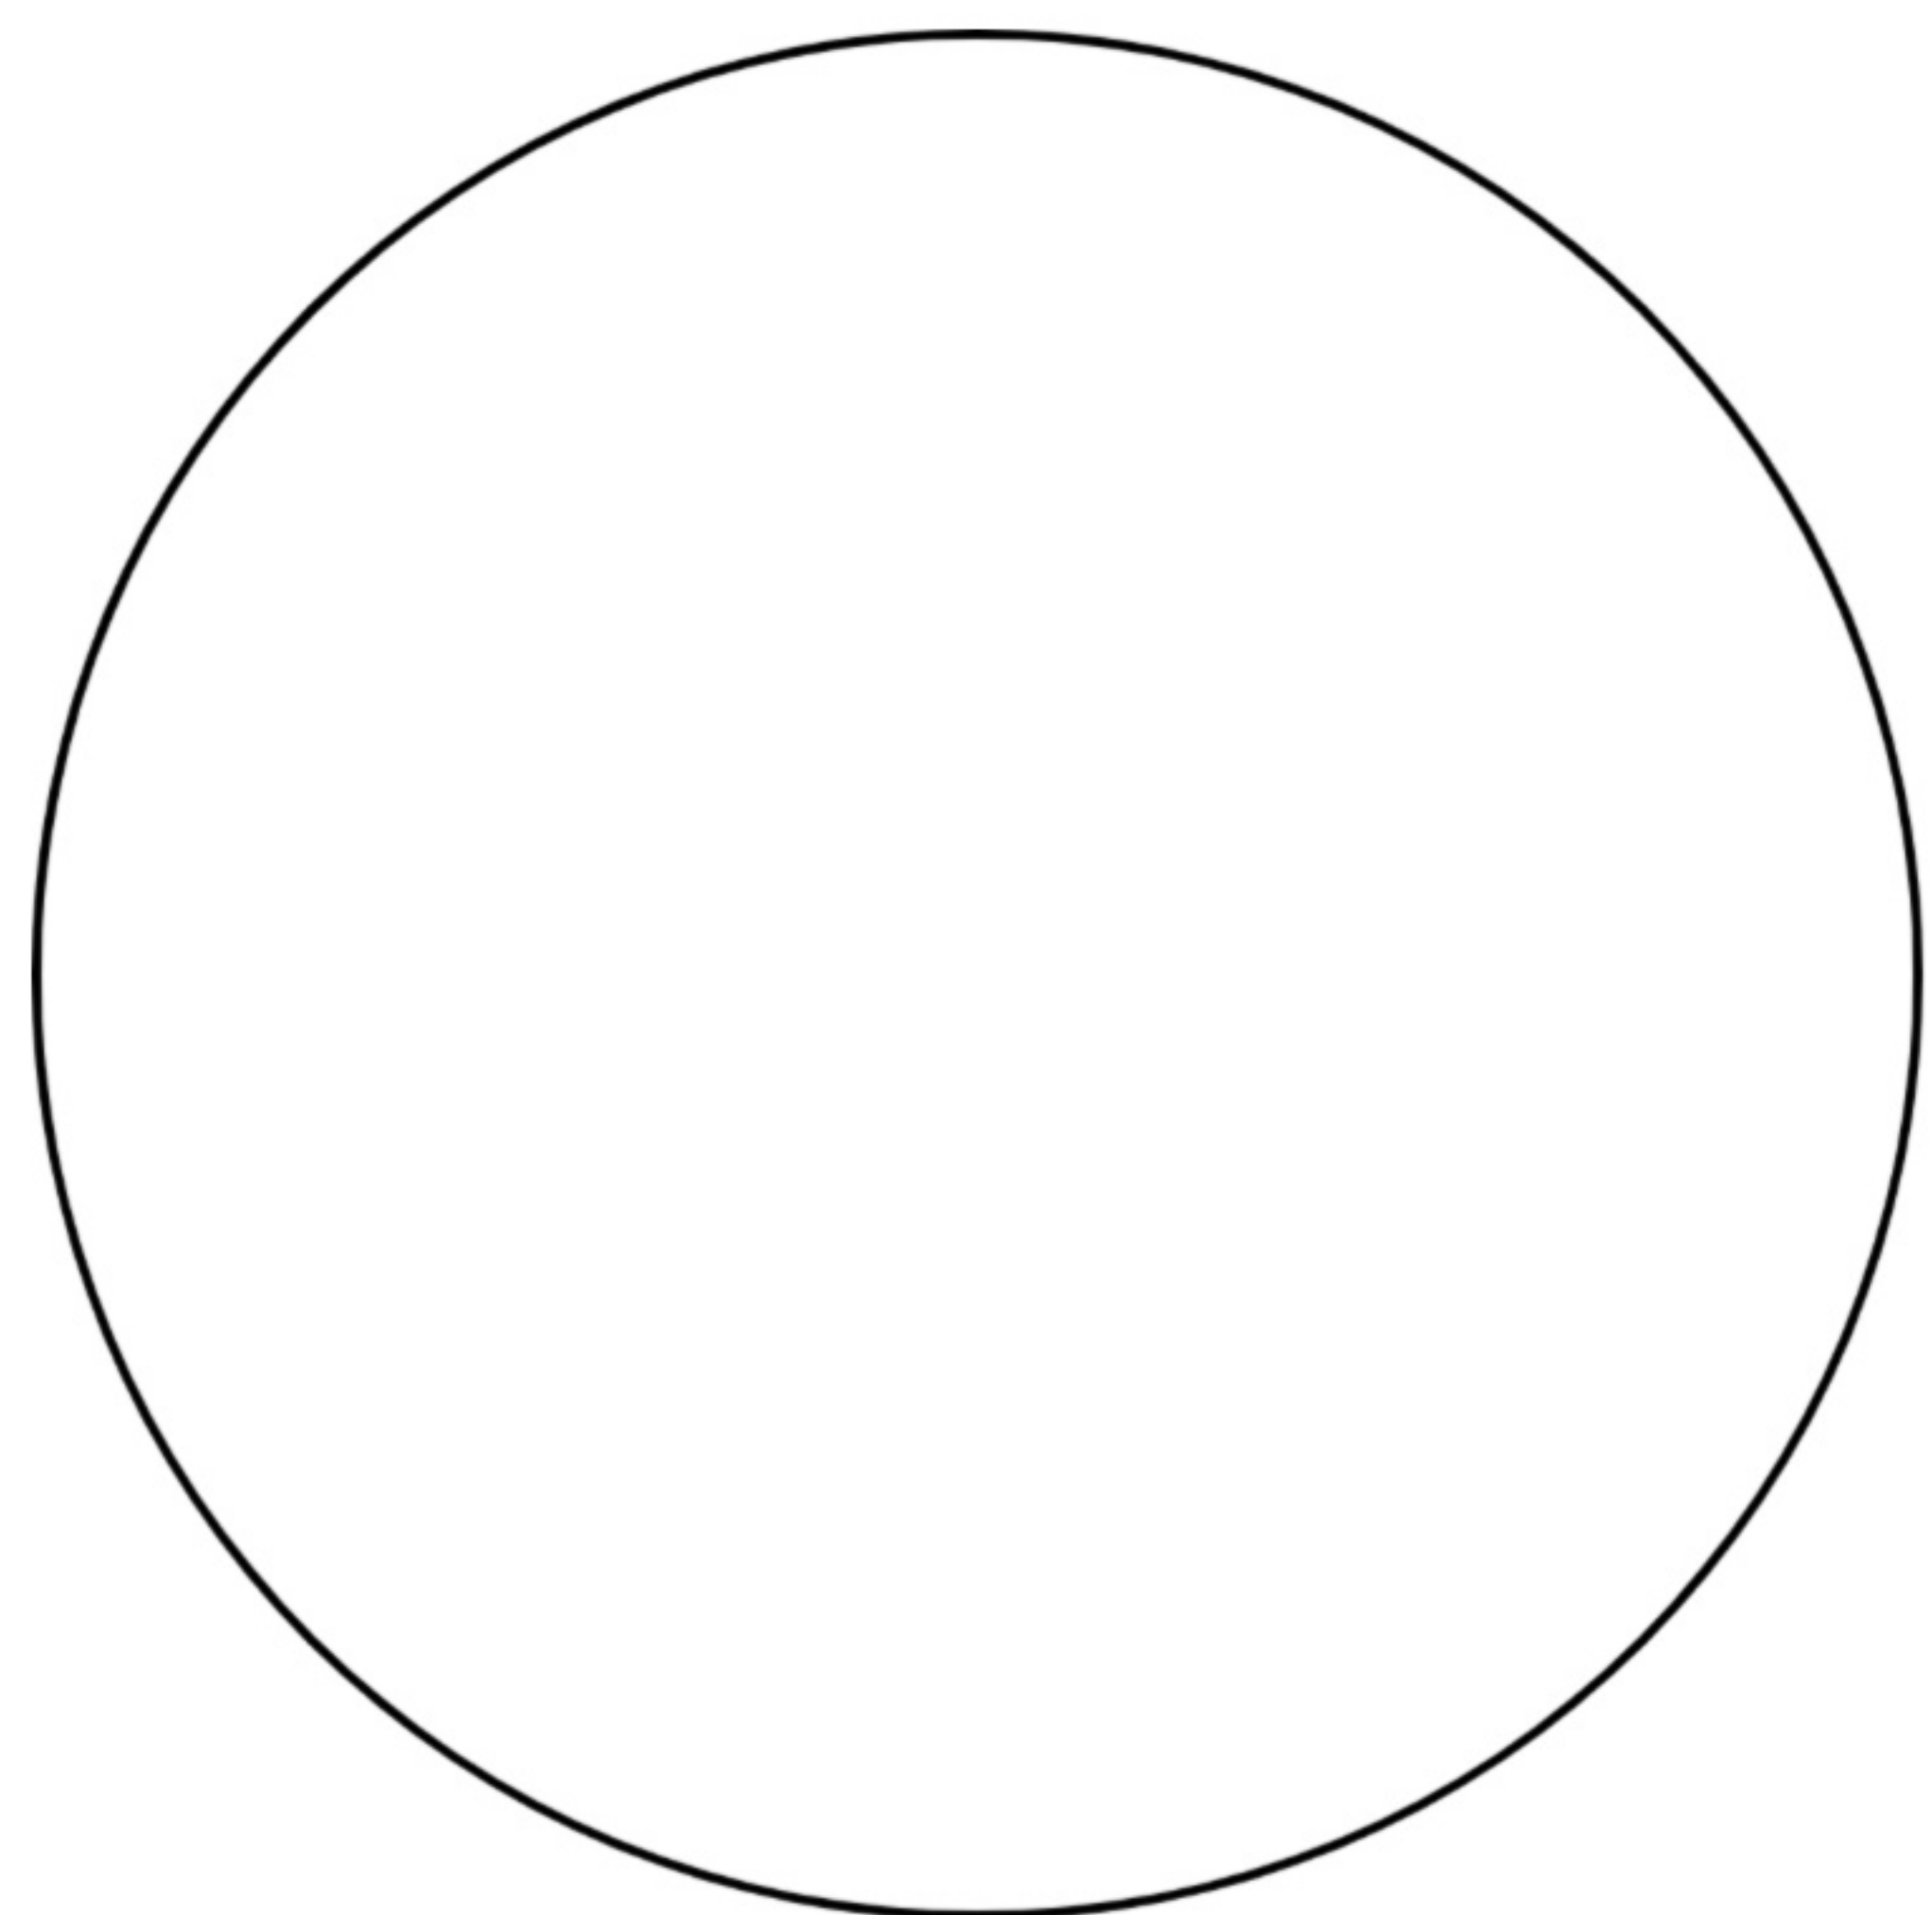

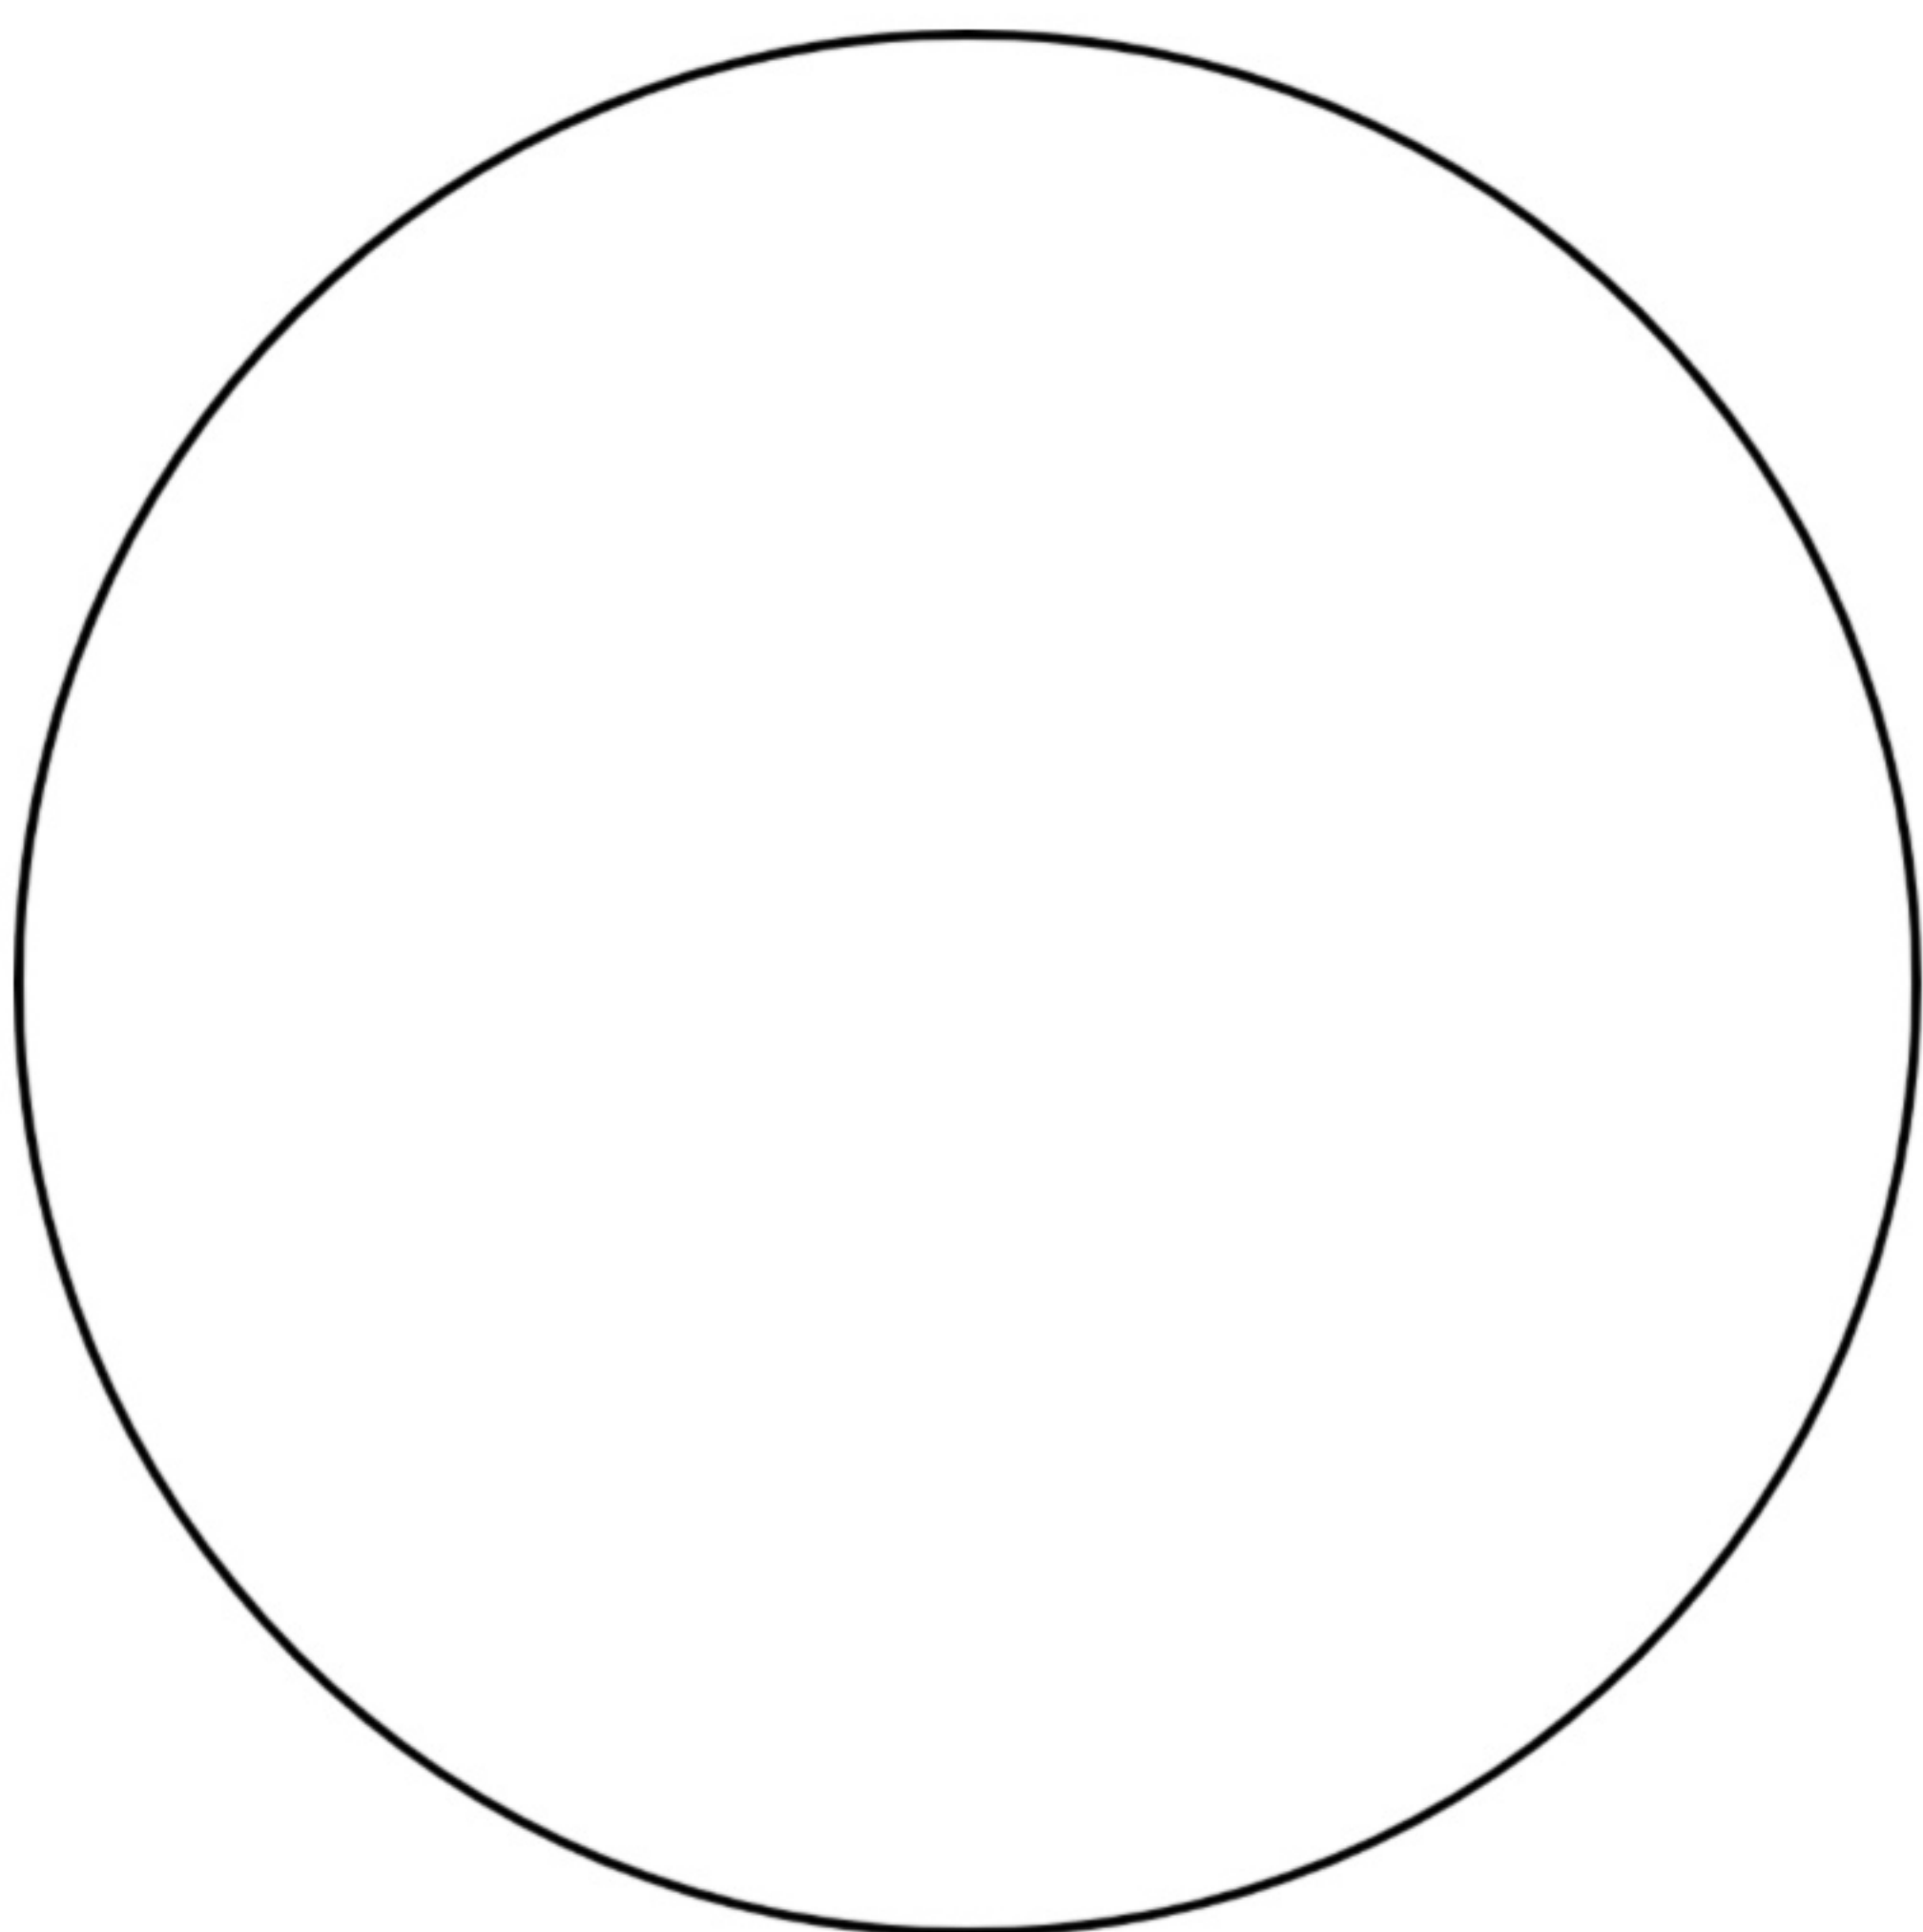

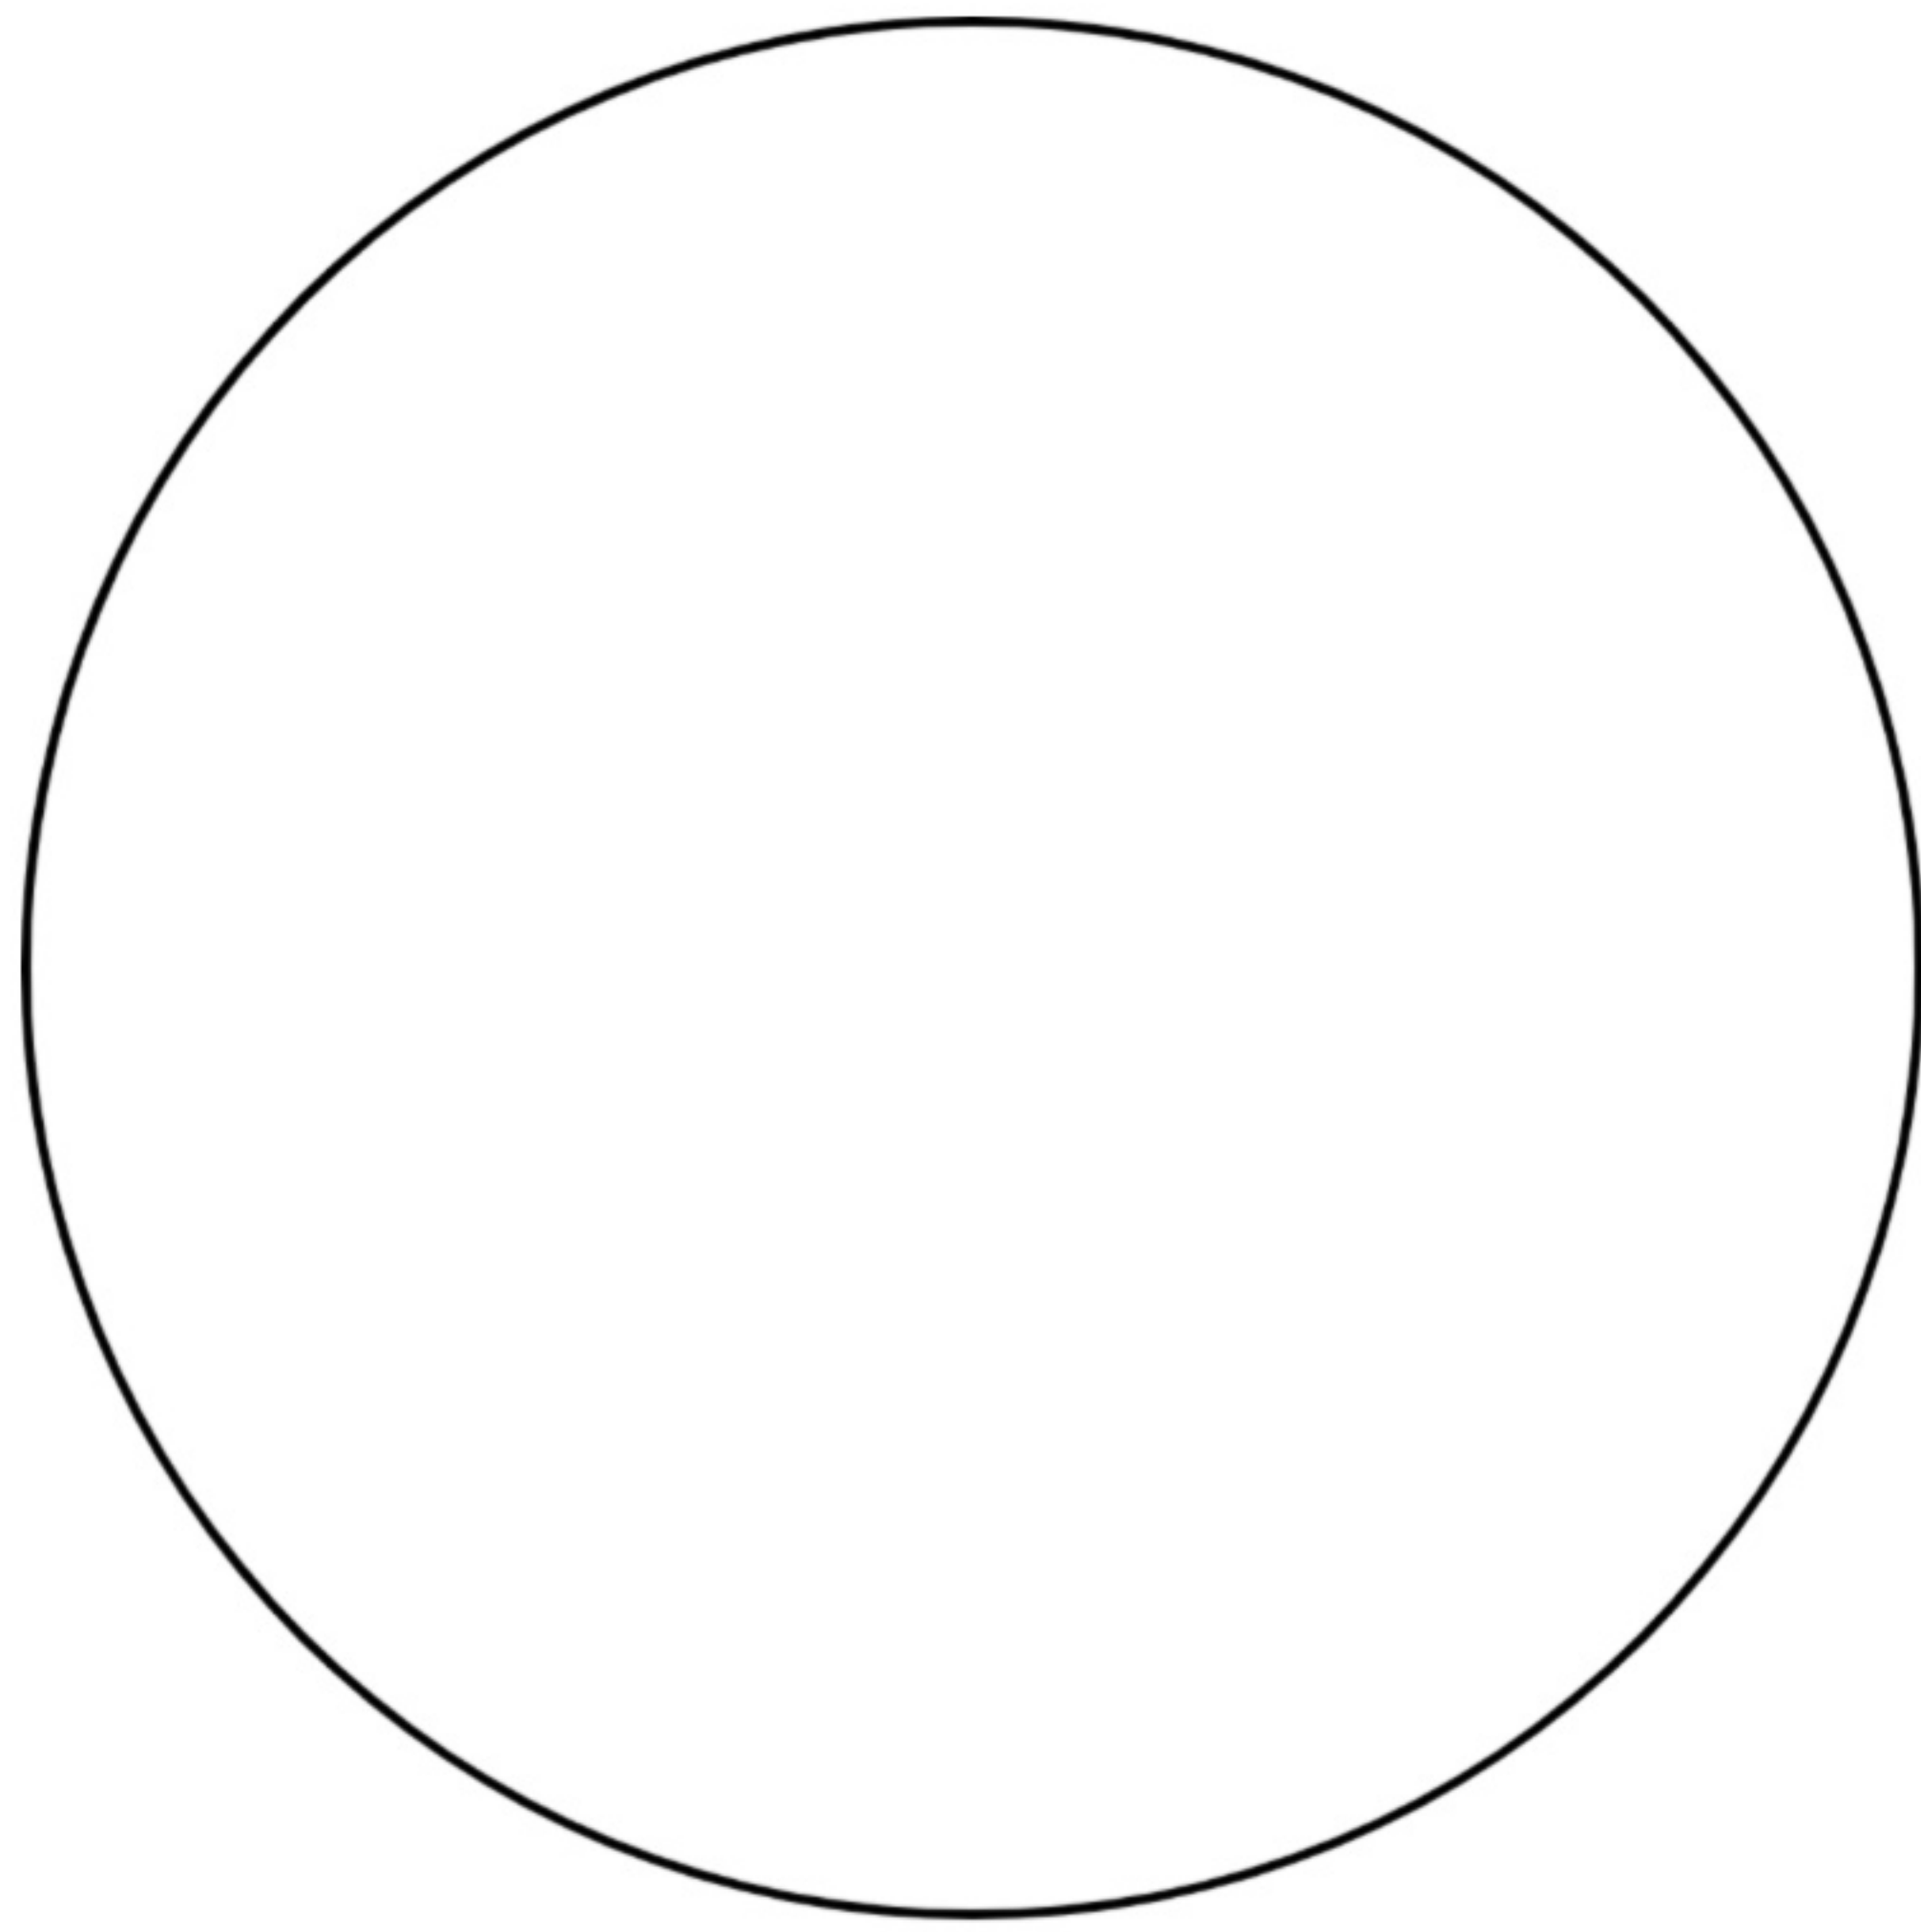

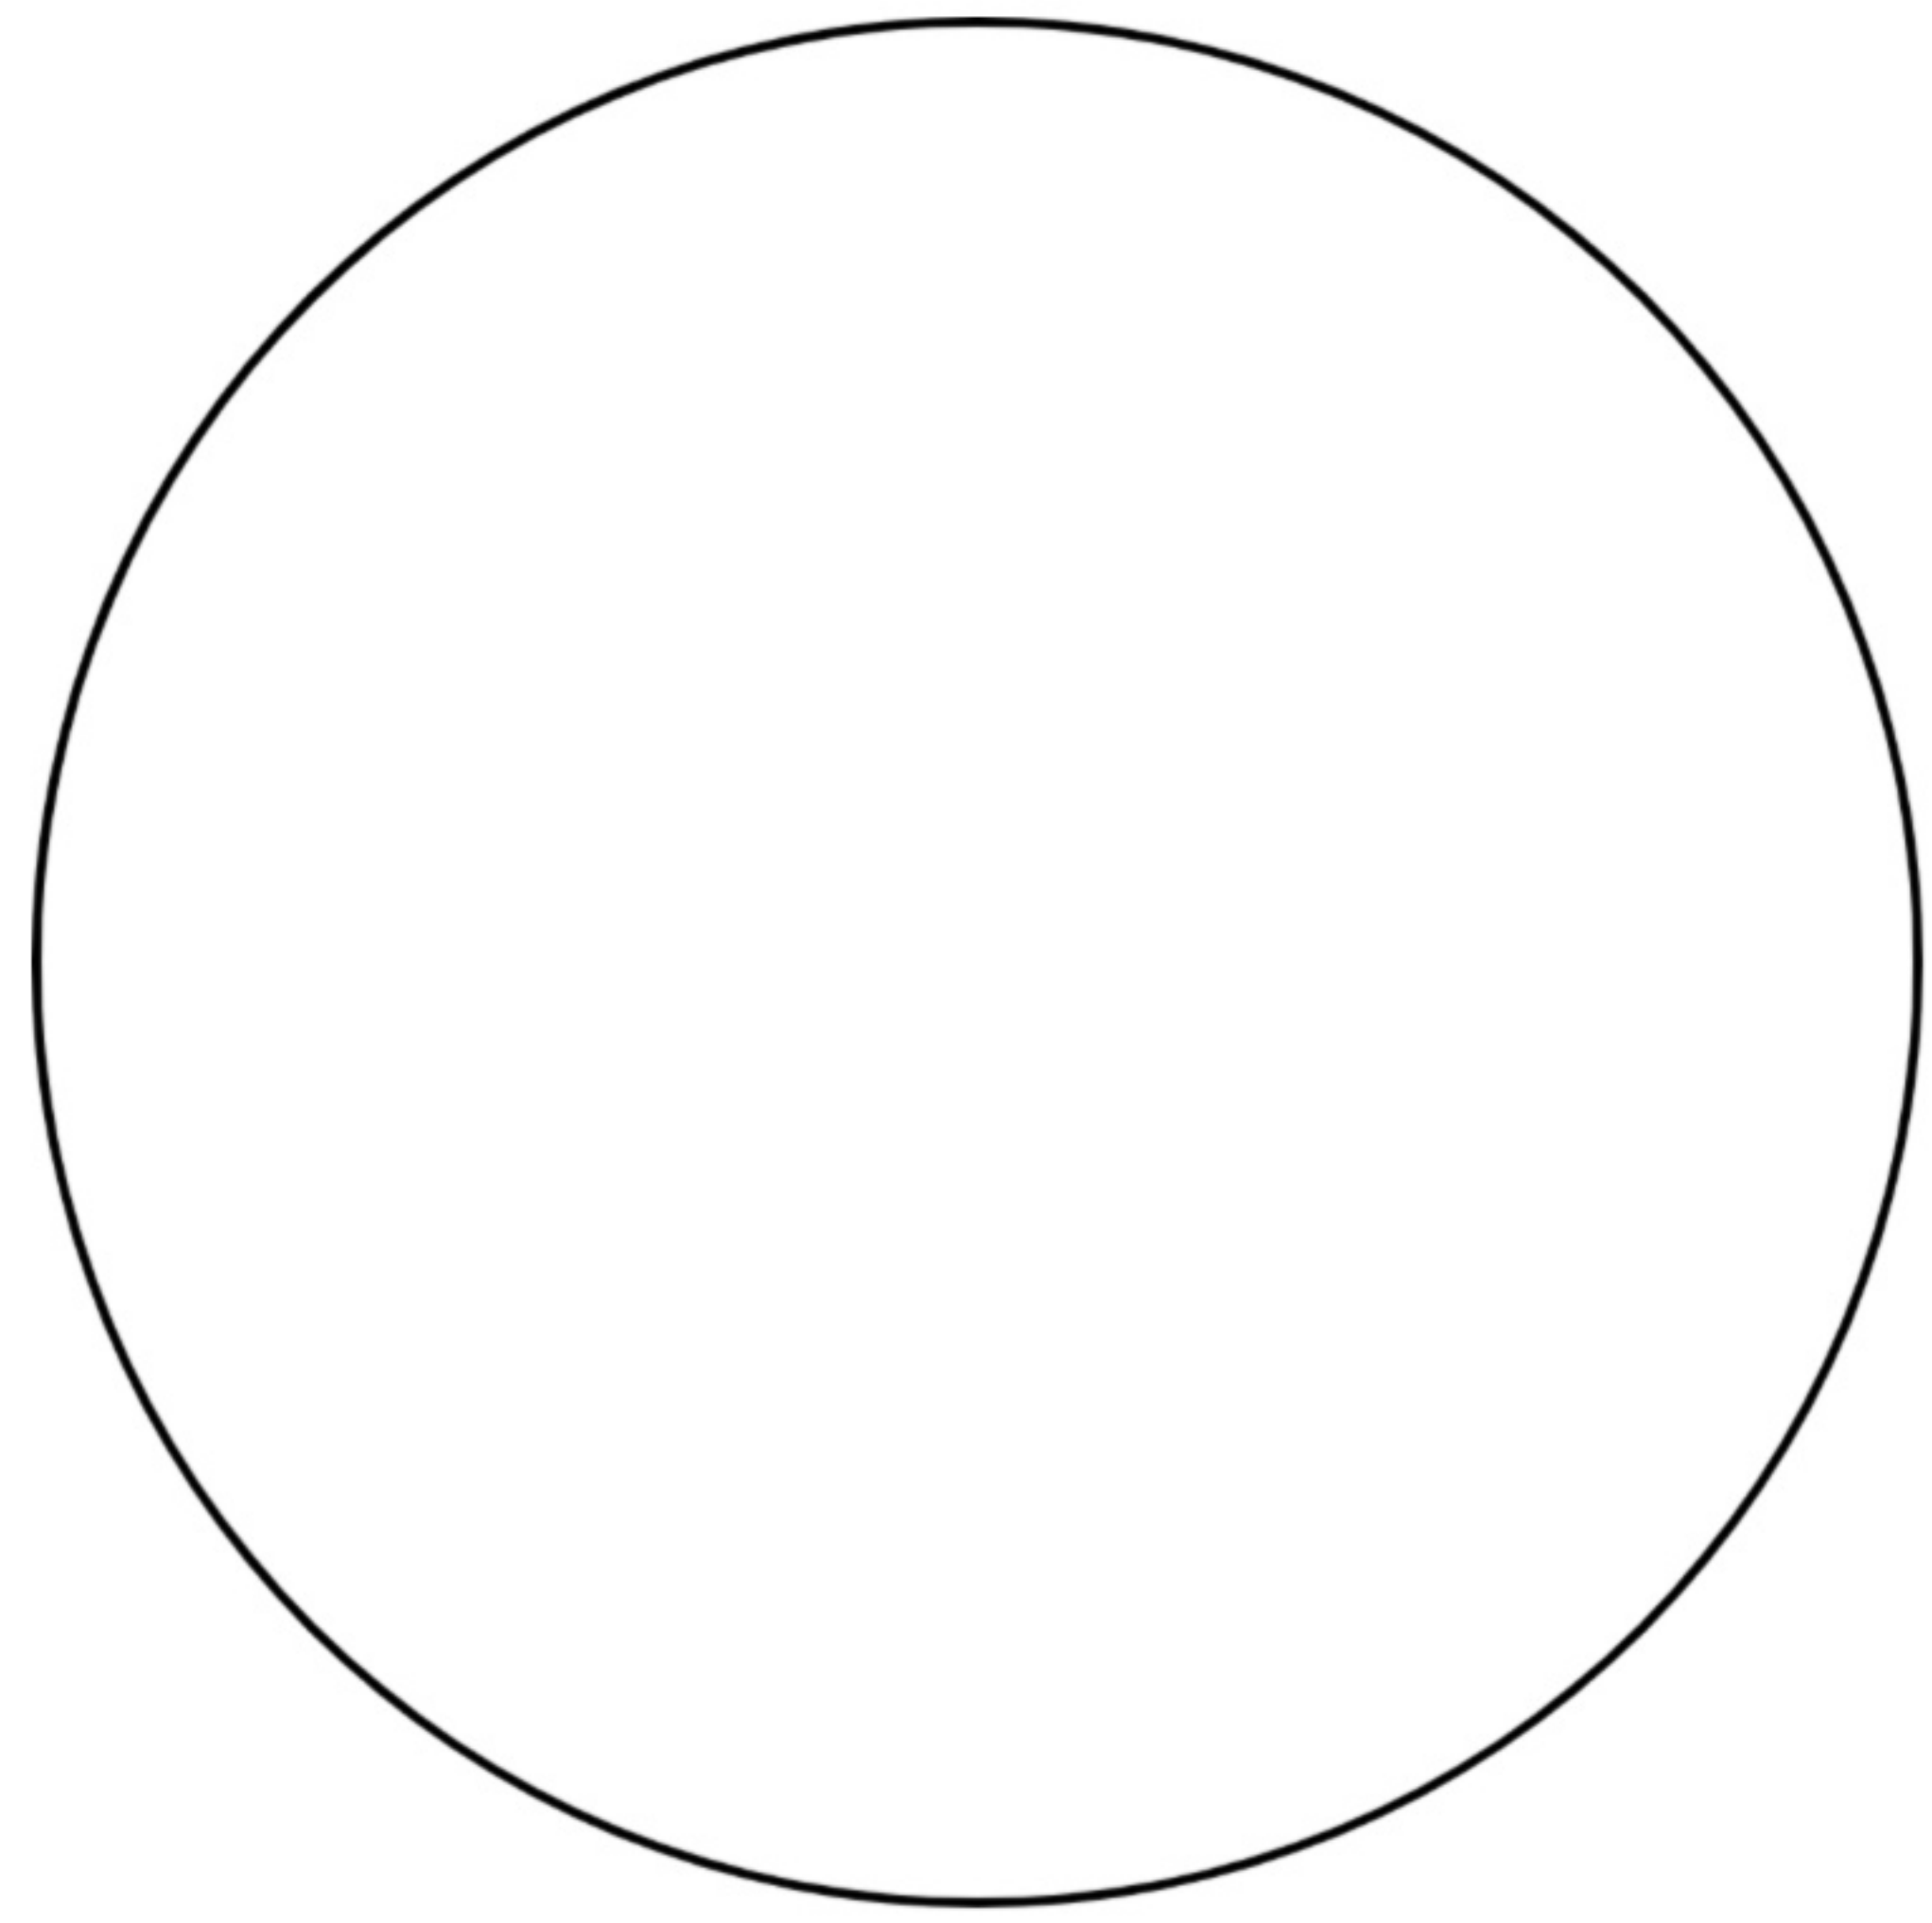

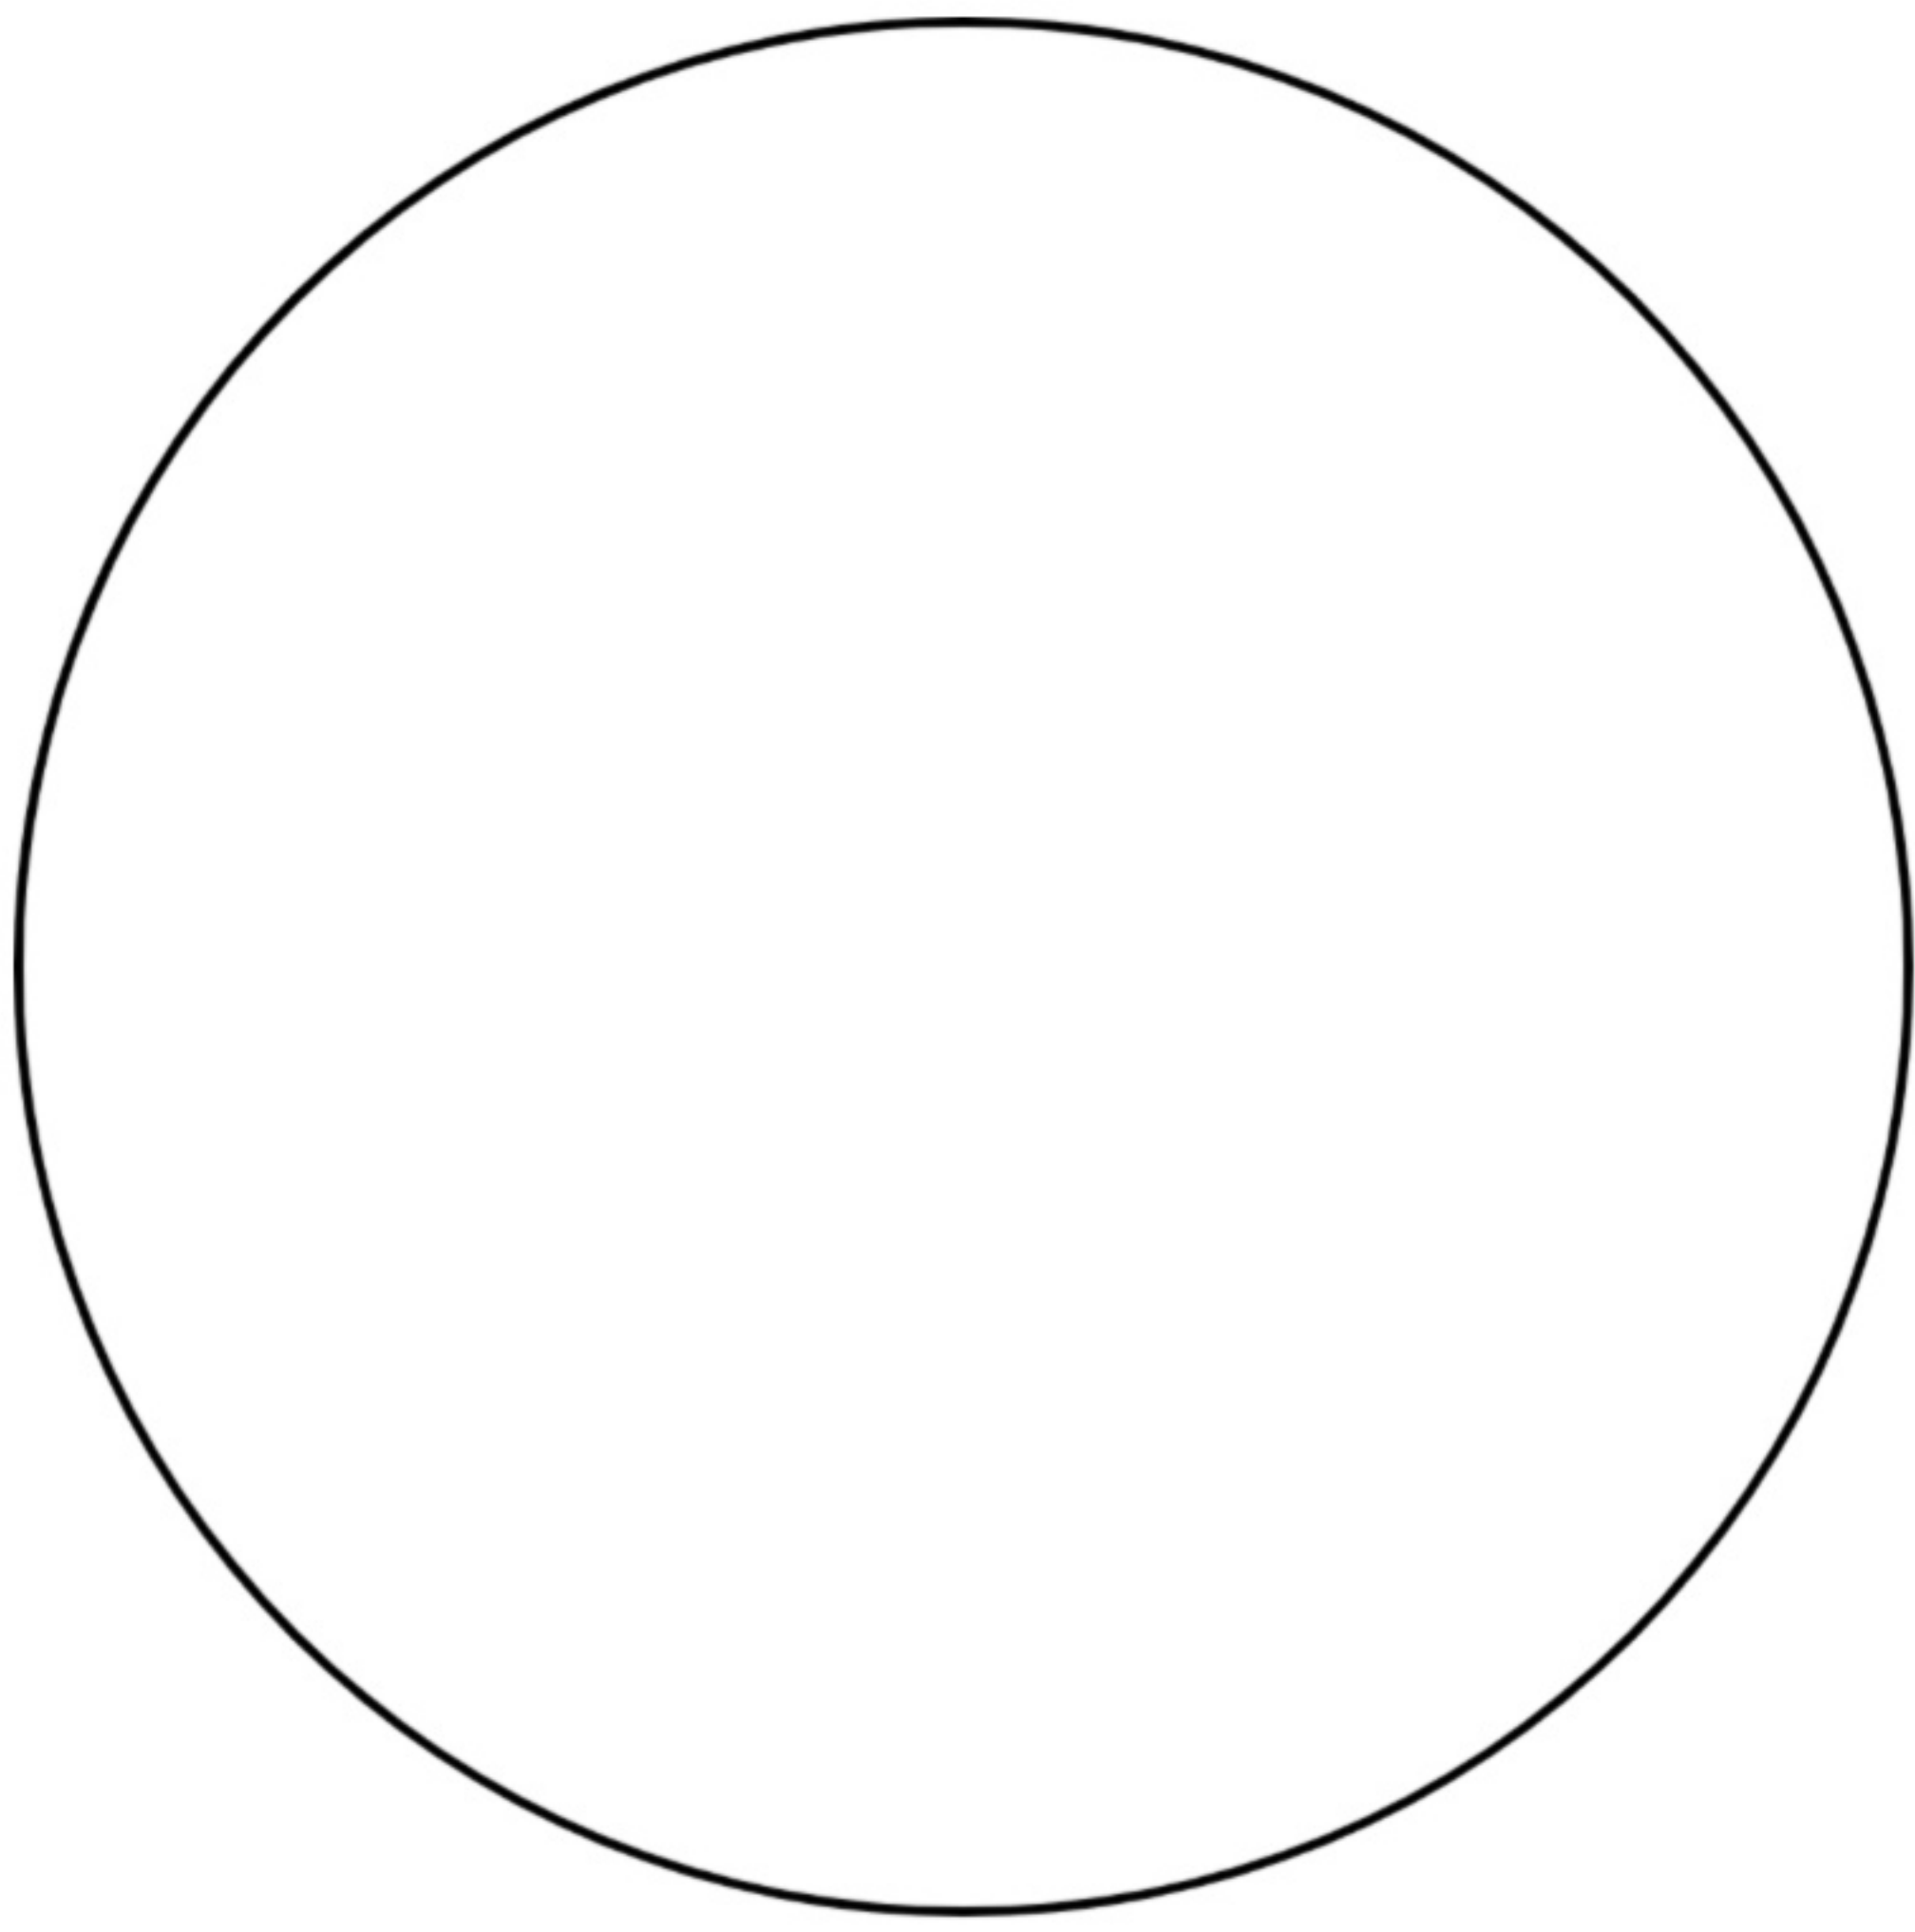

Set a timer for two minutes.  
Draw something in every circle  
on the page.

What did you draw? Did you draw outside the circle? Fill a circle with smaller circles? Use a circle as launching off point for a non-circle idea?

Is there a circle you love? Is there a circle you hate? Love it or hate it, it doesn't matter! You exercised your imagination 30 times and that's what matters.
